

The 2017-2018 HUD Budget**

	<u>\$8</u>	<u>PB\$8</u>	<u>CDBG</u>	<u>HOME</u>	<u>PHOF</u>	<u>PHCF</u>
President*	\$19.3B	10.9B	0	0	3.9B	600M
CR	\$19.3B	10.9B	3.06B	950M	4.68B	1.93B

* The President's Budget also proposed reducing ONAP from \$635M to \$485M and \$0 funding for SHOP, Choice Neighborhoods (\$25M), and Section 4 funding. The flat funding for Section 8 (whether HCV or project based) is effectively a \$300M reduction because the OMB proposal zeroed out growth.

** All amounts reflect full year appropriation but are actually prorated thus all OMB-proposed and Congressionally-appropriated amounts prorated for the period from April 28, 2017 through September 30, 2017 (the end of the federal fiscal year).

B means billion

M means million
